Evangelist J. C. Daniel, who is con-
ducting the revival services at the
Baptist church is not only a splendid
evangelist and a pulpit orator of more
than ordinary ability, but he is a
worker of untiring zeal. Being a man
of vast experience, he knows the pow-
er of the printer's ink and holds that ad-
vertising can be made to count in the
work for the Master as well as in the
ordinary walks of life. Read his
"ad." in this issue and go to hear him.
He is an instrument of force and
power in the good work.

Some Boyle county people were killed
in an auto wreck in the South and the
Danville Advocate issued a special
edition to give the news to its
readers, which was a great stroke of
enterprise. We hear that the Advo-
cate boys are contemplating a daily,
which is about the next step, for it
would be hard to make their tri-weekly
any better.

Dowling Greens voted for saloons
and high license, after having tied
blind tigers for three years under dry
rule. The majority was 56 for the
wet. Warren county outside the city
went dry.

Lecture on Ben Hur

TO BE GIVEN BY EVANGELIST
DANIEL SUNDAY

The meeting at the Baptist church
continues to grow in interest. Both
the morning and night services are
largely attended, the night services
often overflowing the house. Many
are blessed, being found of the Sa-
vior, while others are helped in Chris-
tian faith and living. The singing is
excellent, being led by Rev. Bellhach,
who is assisting in the meeting.

Evangelist Daniel will give his fa-
mous lecture on "Ben Hur," Sunday
afternoon at three o'clock. This is a
free lecture, full of pathos and humor
and all are invited to hear it.

The meeting will continue indefinitely.
All are invited to attend.

Turnersville.

The storm Friday night caused a
great many to miss the ice cream sup-
per, but a large crowd attended and
\$9 was collected.

The aged citizens of this community
say that there has never before been
as much electricity in the air. Their
belief is that the comet brought it.

The rain Tuesday was a great help
to corn and tobacco.

Mr. Ed Martin sold a load of corn
to a Mr. Trusty, of Casey county at
\$3.50 in the crib.

The singing school met with Mrs. A.
D. Root Wednesday night June 22, and
a number of songs were practiced. Mr.
John Colston and Mr. Henry McWhor
ter led.

Miss Bessie Hubbie, of Stanford, is
visiting here.

Miss Mary Lee Meade, of Duncan,
Casey county, visited friends here last
week.

Miss Lois Hubbie, of Eubank, who
has been visiting Mrs. Sherman Coy,
returned home Saturday.

REAPING BENEFIT

From the Experience of Stanford
People.

We are fortunate indeed to be able
to profit by the experience of our
neighbors. The public utterances of
Stanford residents on the following
subject will interest and benefit thou-
sands of our readers. Read this state-
ment. No better proof can be had.

John T. Barnett, carpenter, Row-
land street, Stanford, Ky., says: "I
used a great number of kidney reme-
dies within the past three years and
can say that Doan's Kidney Pills gave
me the first relief. My work obliged
me to do heavy lifting and stooping at
times, and this weakened my kidneys.
I suffered from a pain across the
small of my back that often became
so intense I was unable to do any-
thing. I was feeling miserable when
I learned of Doan's Kidney Pills and
they were recommended so highly
that I procured a supply at Shugars &
Tauners drug store. This remedy
gave me almost instant relief and for
that reason, I gladly recommend it."

For sale by all dealers. Price 50
cents. Foster-Milburn Co., Buffalo, N.
Y., sole agents for the United States.
Remember the name—Doan's—and
take no other.

AN EXPERT'S OPINION OF SKIN DISEASES

A prominent national expert on
skin diseases whose name you are fa-
miliar with says that in all his scien-
tific experience he has never found
so hard a disease to conquer as Ec-
zema. Yet he does not hesitate to
recommend Zemo as a most success-
ful remedy for the treatment of Ec-
zema, itching skin diseases, dandruff,
pimples, blackheads and all other dis-
eases of the skin and scalp. He says
that not only do its curative qualities
make it popular but also the fact that
it is a clean liquid remedy for external
use. A great improvement over the
old style greasy salves and lotions
which are not only unpleasant to use
but do not destroy the germ life that
destroys the disease. Zemo draws the
germs to the surface and destroys
them, leaving the skin clear and heal-
thy. Can be used freely on infants.
Mr. G. L. Penny will gladly supply
those who call with a free sample bot-
tle of Zemo and a booklet which ex-
plains in simple language all about
skin diseases and how to cure your-
self at home with Zemo.

SAVED AT DEATH'S DOOR

The door of death seemed ready to open for Murray W. Ayers, of Transit Bridge, N. Y., when his life was wonderfully saved. "I was in a dreadful condition," he writes, "my skin was almost yellow; eyes sunken; tongue coated; emaciated from losing 40 pounds, growing weaker daily. Violent liver trouble pulling me down to death in spite of doctors. Then that matchless medicine—Electric Bitters—cured me. I regained the 40 pounds lost and now am well and strong." Free Child's Remedy

What mother is not looking for something that will help her children in the little ills of life, something for the stomach trouble and the bowel trouble? Long ago she probably has become convinced that a child cannot readily swallow a pill or a tablet, and that to "break them in half and crush them" is an annoyance; that usually they work too drastically, and are nauseating and too powerful for the little one's stomach.

Any mother who will take the trouble of sending her name and address can obtain a free sample bottle of a remedy that thousands of other mothers are using and now paying for. This remedy is Dr. Caldwell's Syrup Pepsin, and the offer of a free trial bottle is open to any mother who has not yet used it. Having used it and convinced yourself that it is what you want, you can obtain it in the future of your druggist at fifty cents and one dollar a bottle, just as so many others are doing. The free sample being simply to convince you of its merits. It is the best way to begin on it. Mrs. L. Davis, 127 W. Harrison street, Chicago, and Mrs. Mary Belford, 2710 Coke street, Louisville, Ky., both started with a free sample and now they write that they have never been without a bottle in the house since.

It is undoubtedly a great family remedy, as it is adapted to all ages, being mild and pleasant to take and yet thoroughly effective. It is especially the ideal remedy for children and women and old folks, who need something pure, mild and natural. It has the advantage of being a thorough laxative and yet contains tonic properties. Use it for the most stubborn constipation, indigestion, liver trouble, sick headache, sour stomach and such complaints with a guarantee that it will cure.

Dr. Caldwell personally will be pleased to give you any medical advice you may desire for yourself or family pertaining to the stomach, liver or bowels absolutely free of charge. I explain your case in a letter and he will reply to you in detail. For the free sample simply send your name and address on a postal card or otherwise. For either request the doctor's address is Dr. W. B. Caldwell, R. 603 Caldwell building, Monticello, Ill.
